

GROUP TOURS TO SLEDMERE HOUSE

“East Yorkshire’s Finest Country House”

Sledmere House is perfect for a group visit. Its charm has captivated visitors for over 200 years and its fine art and furniture collections make it a very special place to visit.

We offer a variety of options for groups allowing you to tailor make your visit for your perfect day to incorporate any specialist interests your group may have. Admission includes exploring the House by guided tour with our experienced House stewards on hand; the group can also explore the gardens and grounds at their own leisure, either before or after the House visit.

We have ample free car and coach parking on site.

Visits can be made to the house during its opening season between June and September, or occasionally by special arrangement during the closed season.

Please check our opening times on the website.

MORNING TOURS (10.30am to 12.30pm)

You will be greeted on arrival by one of our House stewards, at The Ticket Office and will then be taken upstairs to our new conference room for an introductory talk. The party will be then be divided into groups of up to 12 people with their own guide who will take them on a House tour lasting approximately one hour. The group can then explore the gardens and grounds at their own leisure for the remainder of the day, either before or after the House tour.

Cost: £13.00 per person

AFTERNOON TOURS (1.30pm to 3.30pm)

You will be greeted on arrival by one of our House stewards at The Ticket Office and will then be taken upstairs to our new conference room for an introductory talk. The party will be then divided into groups of up to 12 people with their own guide who will take them on a House tour lasting approximately one hour. The group can then explore the gardens and grounds at their own leisure for the remainder of the day, either before or after the House Tour.

Cost: £13.00 per person

GARDEN TOURS

Join our head gardener for a guided walk around the Walled Gardens.

Learn about their history and how, in the last few years, they have been re-developed to provide more structure and extend the season of interest - a process which is still ongoing. A great opportunity to have a look 'behind the scenes' and find out how the gardens are managed and maintained, as well as exploring the different garden rooms and looking at how plants are used to give each one its own special character. The tour last approximately one hour.

COST: £9.50 per person

OTHER USEFUL INFORMATION

We are able to offer the special rates to groups of 12+ people.

Reconnaissance visits are welcome by prior arrangement by contacting our Head Steward.

Bookings should be made by completing and e-mailing or posting our booking form. A non-refundable deposit of £50 will be payable in advance, once the booking has been confirmed.

VISITORS WITH DISABILITIES

There is a lift which gives visitors with limited mobility access to the first floor of the House. There are toilet facilities for disabled visitors on site. Assistance dogs are permitted in the House.
