

WELCOME TO SLEDMERE...

Sledmere, with its magnificent House, wonderful gardens, beautiful parkland and charming Estate Village is the Jewel of the East Riding. Here to share and enjoy are all manners of experiences, treats and entertainments for all the family. A much loved home to Sir Tatton Sykes Bt, Sledmere House hosts a programme of vibrant events and is surrounded by the outstandingly beautiful Yorkshire Wolds which we look forward to sharing with you.

SLEDMERE HOUSE – "Historic and Homely"

Completely gutted by fire in 1911, the classic Georgian Sledmere House was carefully rebuilt under exacting direction of soldier, diplomat and Orientalist Sir Mark Sykes 6th Baronet, who ensured it survives today as the most fitting home for the unique family collection of art and antiques. A house which will capture your heart with some fascinating stories to tell.
